Scott Smith, Esq. is an experienced podcast guest, and owner of Royal Legal Solutions, Austin, TX, one of the top asset protection companies for real estate investors in the country. In order to develop strategies to maximize tax savings and protect from devastating lawsuits, Scott invested several years deconstructing real estate investing.

- Kicked off legal career in high stakes litigation

- Personally holds real estate investments in 10 states

- Provides niche advice for over 29,000 real estate investors, representing most U.S. states, with holdings of over $4.5 billion

## Topics

- Six Keys to Safeguarding Your Properties from Lawsuits

- How to Efficiently Use Retirement Accounts to Invest

- The Quickest Way to Create a Dream Investment Team

- 10 Things You Need to Know to Protect Your Assets

- Connecting the dots: legal, tax, and investment advice all in one

No one wants to get sued, but if you plan to build a real estate empire, the question is not so much "if" but "when." Scott's got your back! He's a smart, savvy, attorney, with a great sense of humor, and a gift for simplifying the complex.

Scott shares tools and tactics listeners can use today. Be prepared to discover new levels of insight regarding umbrella policies, building your real estate team, LLCs, trust funds and more.

"Scott shows you how to maximize your returns and protect your investments effortlessly (and have fun while you do it)!"

"Scott connects the dots for real estate investors on everything from company structures, financing, taxes, and beyond."
