Penetrating Insights for the Serious Investor

Jason Marino graduated from the Catholic University of America in Washington, D.C. with a bachelor's degree in Philosophy in 2008. He continued his education by attending Washington University in Saint Louis, where he earned his Juris Doctor in 2011.

Over the course of the next 9 plus years, he worked as a real estate and energy attorney for large domestic and international companies.

Since 2014, Jason and his Wife have gained a wealth of experience in multiple facets of real estate investing. They have house-hacked, wholesaled, partnered in flipping, property managed, and invested in short-term and long-term rentals both in the United States and abroad.

Their passion for real estate investing has lead them to continually push their boundaries and explore new options to generate multiple income streams.
